

August 2005

EXPERIMENTAL AIRCRAFT ASSOCIATION CHAPTER 648

President's Corner

Hi 648 members,

I'm currently in Oshkosh at AirVenture, and having a great time. We've had mostly good weather, a few problems for tenters with a nasty rainstorm earlier this week, and some hot weather but mostly nice days.

Yesterday we got to see Global Flyer arrive, earlier in the week White Knight and Spaceship 1. I

volunteer in the vintage area, so have gotten to see a lot of older planes. Wandering around I've seen a large collection of Sport Aviation planes, seaplanes, homebuilts and ultralights. I haven't made it to the warbird area yet.

I've run into several members of our Chapter so far including Del Hinsch, Bill Hanrahan and Paul Hansen, as well as volunteers I've gotten to know at the RMRFI from Chapters 43, 72 and 301. It is a great event, and if you've never been here you have to think about attending in the future.

Our meeting for August is the picnic, more info about that is in the newsletter. We had great meetings in June at the Socash's project with a great meal provided, and in August we learned about rescuing WWII aircraft from Russia, another good program. Both can be repeated in a year

to give us all updates. I attended a Chapter Leader's forum this morning and beware, I've gotten ideas on how to deal with organizing our monthly programs involving all of you.

Take Care all, and happy flying and building.

Cheryle Sullivan

First I want to apologize to those folks who didn't receive my earlier message. I just got my address book reupdated after my computer crash. All my email addresses should now be correct. Thanks for your patience.

Here is the info on the picnic from Earl.

Picnic time 1130 -1400.

Bring your own meat, a dish to share, chairs, and utensils. We'll have some extra utensils if you forget yours.

The club will provide drinks and we'll have at least 2 grills, some shade and some tables to sit at.

See you there.

Meetings are the: 2nd Monday of the month,
unless Location & Time is published differently.
The Leyner's Hangar at Vance Brand Airport in
Longmont, is where the meetings will be
regularly held.

PRESIDENT: Cheryle Sullivan
VICE PRESIDENT: TBD
SECRETARY: Carol Leyner
TREASURER: Earl Bolton 303-499-1214
TECH. COUNSELORS: Doug Sykes 303-709-
5835

NEWSLETTER EDITOR: Malcolm Dean

Hello all,

Here is the February newsletter I hope it
contains enough information, and has enough
content to satisfy everyone. If any members have
any extra information that you would like me to
add let me know.

Malcolm Dean

Newsletter Editor

Earl's phone in Eldora is 303 258 7767
